Dear Sirs,

We are not receiving any Newspapers except those that come unwanted, I call them

“Freebies”, and I am going to stop those.

If everybody did this they would feel the pinch.

In this is the way we can affect the atitude of the “Press Barons”, through their pockets.

Eventually we shall win.

We are going to spread the word about doing this.

There’s “No news in the Truth and no truth in the News” as one person said about Pravda and Itzvestia”

Regards,

Peter J Higgins
