Dear Gavin,

Press Recognition Panel consultation event, Durham

I am writing to thank you for hosting our consultation event in Durham on 3 July 2015.

I am grateful to you for providing us with support in the form of a venue, as well as for facilitating the session, which we felt went very well indeed. We were pleased with both the level of attendance, and the wide-ranging nature of the discussions.

As you know, our consultation closes tomorrow, on 31 July 2015. We will be analysing consultation responses in August, and hope to open for applications in September.

I look forward to ongoing dialogue and engagement with you over the coming months as our work progresses.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'David Wolfe', is positioned above the typed name. The signature is fluid and cursive, with a large loop at the beginning and a long, sweeping tail.
