IMPRESS STANDARDS CODE

Dear Dr Wolfe,

We have seen a copy of the note on your website from the News Media Association about the draft Impress standards code consultation.

We share the concerns raised in that letter and indeed in the draft code that was published late last week. There are concerns about weaknesses in the code and we intend to reply to the consultation. We believe they would have important implications for your consideration of Impress as a suitable regulator.

Yours sincerely,

Bob Satchwell
