Dear Dr Wolfe,

Thank you for your letter of 10th August 2015 relating to the NMA's response to the PRP's consultation. I note that you have commenced analysing submissions and intend to issue final guidance at the beginning of September. However, I am afraid that it will not be possible for the NMA to release the legal advice to which the NMA submission referred. Although we are not able to share this with you as requested, I trust that the PRP will nonetheless give proper consideration to our submission.

Yours sincerely,
