Dear David

PRP consultation

Thank you for your letter of August 10. I am sorry not to have responded sooner, but I have been away on holiday.

Personally I have no objection to you seeing our QCs' opinion on exemplary damages and Article 10. However it was commissioned as a collaborative venture by the legal directors of a number of newspaper groups and authored by three QCs. I am afraid I cannot release it without the consent of all those involved. I will seek to obtain that consent but inevitably, given the holiday season, it may be a week or two before I can give you a definitive answer.

I am sorry not to be able to offer you a more prompt response.

Yours sincerely
