

Dear Press Recognition Panel,

I am a member of the public, a supporter of the Royal Charter and have a longstanding interest in ensuring that the Leveson Report is delivered fully and effectively. I have considered the consultation and read Hacked Off's submission to the PRP consultation, a copy of which is [here](#). I am writing firstly to say that I back Hacked Off's submission, prepared with the input of victims of press abuse. I hope you will take note of this.

This has been a huge cost to the public don't waste this money. I urge you to take hacked offs position.

Within my social group we had a 79 % yes to full implementation of this report, with 11 % not sure, 4 % said some of it 6 % didn't care or didn't answer. If all the public had the time and understanding I believe this to be an average finding.

Please implement this report fully and quickly.
