

Thank you for the opportunity to put my views forward on the extent to which the recognition system has succeeded in its aims.

I believe that the Leveson Report made some good recommendations and that these should be implemented. The Government must now regulate the press since they are not regulating themselves. The PRP need to urge Parliament to bring into effect section 40 of the Crime and Courts Act. The press are too powerful to be allowed to behave irresponsibly, fabricating information and breaking the law.

Yours faithfully
