Dear Ms Elliot,

Thank you for your letter of 31 October 2016, addressed to David Wolfe. We note that you act for the News Media Association.

The PRP Board took full account of a wide range of information it was presented with, including representations made by your client, in making its decision. We understand of course that your client must be disappointed that the PRP Board did not agree with all your client's views.

The documentation relating to the PRP Board's decision in relation to the IMPRESS application will be available on our website shortly, as previously explained. Do feel free to get in touch again after that. We remain happy to discuss any aspect of our work with anyone.

Yours sincerely

Susie
