Dear Santha

Press Recognition Panel consultation submission

Thank you for your response to the PRP's consultation, which closed on 31 July 2015. We have started to analyse the consultation responses and will be in a position to issue our final guidance at the beginning of September.

It would assist us in understanding and giving weight to the points you have raised if you could provide us with the legal advice to which you refer. If you feel able to share this with us in the next week or so it would be most useful. I would want to ensure that we give this our full consideration before we finalise matters.

I look forward to hearing from you.

Yours sincerely,
