

Dear Press Recognition Panel,

I am a member of the public, a supporter of the Royal Charter and have a longstanding interest in ensuring that the Leveson Report is delivered comprehensively and effectively. I have considered the consultation and read Hacked Off's submission to the PRP consultation, and I am writing to say that I back Hacked Off's submission, prepared with the input of victims of press abuse. I hope you will take note of this.

One issue which I am passionate about in a press regulator is arbitration, and in response to the Consultation I would like to endorse the views expressed by Hacked Off on this issue.

Sincerely
Alan Hancock
