Dear Professor Luckhurst

I am the Chair of the Press Recognition Panel. I have read your foreword to the report published yesterday by the Free Speech Network – Leveson’s Illiberal Legacy.

The piece raises some areas of interest and concern for the Press Recognition Panel. I would be grateful for an opportunity to explore these further with you and wonder if we could find a mutually convenient date to meet and discuss.

The Press Recognition Panel is keen to engage with the wide range of people who have an interest in press regulation and I have also extended a similar invitation to the Free Speech Network.

I look forward to hearing from you.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'David Wolfe', is positioned below the text 'Yours sincerely,'. The signature is fluid and cursive, with a large loop at the beginning and a long, sweeping tail.
