

Dear Committee Members,

I would like the Committee to acknowledge that we have to have a FAIR & HONEST PRESS.

Without which democracy cannot work,

But It needs to be propyl regulated,

History tells us that "SELF REQLATION MEANS NO REGULATION",

Even with the best will IT CANNOT & WILLNOT and archive high standards,

WE HAVE THE Answer,

LORD LEVENSONS enquire (cost a fortune) but told us what to do to CLEAN UP THE PRESS,

As a result you know as a result what he recommends "WELL JUST DO IT in full"

If you fail you will be accused of giving way to the people with money & influence,

IT WILL BE WHAT YOU ARE REMMEMBER FOR, a real achievement,

**Do the right thing & IMPLEMENT LEVENSON**, please.

Yours faithfully,

Alan A Billitt Hill
